

## ***Privacy Notice***

The Isle of Wight Council in administering the Isle of Wight Local Government Pension Scheme has a specific Data Protection Policy to its members. This explains how personal information is obtained and going to be used, what it is used for, who it might be shared with and why, and for how long it is kept.

The information you provide helps us to provide you with a pension service and to make sure that we meet our legal duties and responsibilities.

The Isle of Wight Council is required by law to protect the public funds it administers. It may share information provided to it with other bodies responsible for auditing or administering public funds, in order to prevent and detect fraud. The Cabinet Office is responsible for carrying out data matching exercises and we are required to provide particular sets of data to the Minister for the Cabinet Office for matching for each exercise, as detailed on the GOV.UK website.
